The Sadd family appreciates your presence here today and the expressions of sympathy and kindness they have received during Hudson's illness and since his death. Following the service all are invited to the Family Life Center for light refreshments and an informal time to greet the family. As a further expression of encouragement, you are invited to use the Card of Encouragement or Remembrance in your bulletin to share a story or remember a quality that you appreciated about Hudson. The cards may be placed in the basket at the back of church following the service.

Today's service is being live streamed on the Lancaster Church of the Brethren YouTube page and can be viewed later at <https://youtu.be/JU6u7QCO8xo>.
